Experience

IT Intern: **Web Development Head**
Wedding Suppliers Association of the Philippines Inc.
July – Aug 2022

- Managed and evaluated newly onboard co-interns in our Hardcoding team; assigning tasks to them every day, orient them to our projects, and resolve team members concerns and code problems.
- Managed projects: Database System and Portfolio Website of the CEO/Founder.
- Attending meeting with different department heads to discuss about the projects (Planning and designing).
- Managed and merged team codes into GitHub repositories.
- Creating weekly report of Web Development Team and presenting the progress of the projects to the company's founder.

Back-end Web Developer
Wedding Suppliers Association of the
Philippines Inc.
July – Aug 2022

- We were assigned and created the ERD (Entity-Relationship Diagram) and the Database Structure of the Database System.
- We made the CRUD operations of the Database System and we used PHP, MySQL, SQL, and GitHub tech stack to that project.

Front-end Web Developer
Wedding Suppliers Association of the
Philippines Inc.
July – Aug 2022

- We created the Portfolio Website of the CEO/Founder of the company and we used HTML, CSS, JavaScript, and GitHub tech stack to create that portfolio website.

WordPress Web Admin
Wedding Suppliers Association of the
Philippines Inc.
July – Aug 2022

- Managed and monitored one of the company's brand Website in WordPress.

Internship – Web Developer Intern
Wedding Suppliers Association of the
Philippines Inc.
July – Aug 2022

- Experienced becoming a Web Development Team Head, Back-end Web Developer, Front-end Web Developer, and Word Press Web Admin during my Internship.
- One of the developers who created the Database System of the company (https://yusongroupofcompanies.com) and also the Portfolio Website of the CEO/Founder of the company (https://tjyuson.com/).

House Renovation: ### Project Manager
My mother and her brother's house
Sept 2023 – Feb 2024

- Managed the renovation of both houses (my mother and her brother's house).
- Hired, managed, and oversees workers and their works every day.
- Assigned buying needed materials for houses renovation.
- Managed the budget for materials and for the workers salary.

Certifications
